STUDENT RESOURCE MANAGEMENT SCHEME

The P & C Association, in partnership with the college has endorsed the continuation of a voluntary Student Resources Management Scheme in 2009.

The purpose of the scheme is to reduce the cost of textbooks and other learning materials for parents.

The scheme is offered as a service to students, and parents. In schools where the service is not offered, parents are required to pay the full costs of purchasing all learning materials.

While the scheme is fully endorsed by the P&C, the scheme is run by the college. The scheme does not provide any funds for the P&C and is voluntary to all parents.

Where cases of genuine hardship exist, parents are invited to contact the college so that special arrangements can be made. Please contact the Finance Officer in the first instance.

POLICY AND GUIDELINES

The Student Resource Management Scheme at this College operates under the policy and guidelines of Education Queensland.

GOVERNMENT TEXTBOOK ALLOWANCE SCHEME

Education Queensland actively encourages schools to provide Textbook and Resource Schemes in an effort to limit costs to parents. This allows books and materials to be purchased early and discounts to be secured, through early payment and bulk ordering.

To this end, schools, with the approval of their Parents' and Citizens' Association, may elect to receive a direct bulk payment equivalent to the total of Text and Resource Allowances for all students (see Contribution below)

In Year 12 the Government Textbook Allowance paid to the school is \$220.00 per student.

Our Parents' and Citizens' Association has currently approved direct payment of all Text & Resource Allowances to the School in bulk.

All students are eligible for the Text & Resource Allowances, excluding:

- Adult students over 19 years of age.
- International Students

The average cost of textbooks is currently \$60.00 (approx) each, with some costing up to \$100.00. An effort has been made to cull "out of date" texts and purchase replacements for 2009 wherever possible.

The Scheme represents excellent value and provides substantial savings to parents of students in all year levels. Payments can be made at Client Services or ULC Office by cash,

EFTPOS or credit card. If paying by cash, the correct money would be appreciated.

Anyone experiencing financial difficulties may take advantage of paying their contributions by instalments.

Anyone who joins the scheme but fails to pay the full contribution after joining the scheme may be excluded from the scheme.

NON-PARTICIPATION OF THE SCHEME

Should parents/caregivers decide not to participate in the Scheme the School will then provide a refund cheque of the Government Textbook and Resource Allowance. A comprehensive list of all textbooks that are covered under the Student Resource Management Scheme, applicable to their student is attached as the booklist.

PAYMENT DATES

Please refer to payment plan.

TOTAL PAYMENT REQUIRED

\$178 + Subject Levies

If a student leaves school during the year, pro-rata refunds will be made on the basis of a 40 week year. The refund will be 40 weeks less the number of weeks the student has been enrolled, multiplied by the total paid, divided by 40.

Eg. $\frac{(40 - X \text{ weeks}) \times \text{amount paid}}{40}$

9. If a student leaves school during the year, refunds will be made on the basis of a 40 week school year provided all borrowed resources and textbooks have been returned.
10. The amount of refund made under **point 9** above, will be reduced by the cost to the scheme of replacing lost or damaged books.
11. Students enrolling at the school part way through the year will pay a pro-rata payment based on the number of weeks left in the year.
